

Welcome to DECENTRAL at Palais Harrach

A new favourite spot in the heart of Vienna:
a place where reimagined coffeehouse culture meets
urban elegance. Refined pastries from Café Central,
modern classics, sparkling drinks and handcrafted
specialities come together to create a space for
enjoyment, encounters and inspiring moments.

At its center lies the intimate Non Lieu bar -
a hidden room inspired by the elegance of Adolf Loos' legendary American bar.

DECENTRAL is an architectural dialogue between
past and present. Open, welcoming and curated
with care.

Everything is also available for takeaway.
